Independent Auditor's Limited Review Report on Standalone Unaudited Quarterly and Nine Months Ended 31st December 2024 Financial Results of the Company Pursuant to the Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To, The Board of Directors, Supreme Power Equipment Limited. (formerly known as Supreme Power Equipment Private limited)

- 1. We have reviewed the accompanying statement of unaudited standalone financial results of Supreme Power Equipment Limited (formerly known as Supreme Power Equipment Private Limited) ("the Company"), for the quarter and nine months ended December 31, 2024 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 as amended ("the Listing Regulation").
- 2. The Company's management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Accounting Standards (AS 25) "Interim Financial Reporting", prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India. The Statement has been approved by the Company's Board of Directors. Our responsibility is to issue a report on the financial statements based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free from material misstatements. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Act and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Thus, we have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as stated above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with applicable accounting standards specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other recognised accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
